

LIVING SURROUNDED BY NATURE

SOLD

BEAUTIFUL RURAL LIVING NOW WITHIN REACH
Tired of living in the crowded city? Done with the daily traffic jams? Always dreamed of living one with nature? We are pleased to offer this rare to find 22.000 m² project that will be situated in the rural area of "Maria Maai", at Santa Cruz. The location offers the best of both worlds:

The peaceful living in nature on one hand, and just a few minutes driving to downtown Oranjestad and the Aruban beaches. This unique project consists of only 14 parcels, averaging 1.300 m² in size, and the heights of these will vary. The large rock formations will give a special nature character to this attractive location, which is reachable by

an asphalt road. The location of these future properties offer a lot of privacy. What's better than drinking a cup of coffee or laying outside in your hammock in your spacious garden enjoying the magical and unspoiled flora and fauna that Aruba has to offer? Reserve your dream plot now!
